

## **Trailer Hire Security Requirements**

You promise that You will provide the hire trailer serial number to Equine and Livestock Insurance Company Limited prior to commencement of the policy.

The hire trailer will be clamped by a proper wheel clamp when not in use unless it is kept in a building:

- (a) that is totally enclosed and secure; and
- (b) that is a permanent substantial structure of brick, stone or timber; and
- (c) has doors kept locked by a patent 5-lever lock and the windows secured by patent window locks.

You promise that the hire trailer is clamped by a proper wheel clamp when in use but unattended.

You promise that you will keep the towing vehicle in a fit, proper and roadworthy condition.
