

GENERAL NOTES

Material facts disclosure

There is an obligation implied in this contract of insurance to advise us of any material fact which affects the risk. If You are in any doubt as to whether a fact is material then it should be disclosed.

Renewals

These terms and conditions include a provision that your insurance cover will automatically renew at the end of the insured term unless you specifically tell us that you do not wish for your insurance to renew.

By agreeing to these terms and conditions, you are also confirming that upon each renewal of your policy, unless you tell us otherwise, you want us to make the following changes to the terms of your insurance:

(a) Such changes as we believe, in good faith:

- (i) are appropriate for the type of policy you hold with us; and
- (ii) will produce an overall benefit for you.

Those changes may include changes to the scope of the insurance cover (i.e. what is insured), the benefits which your policy provides, and associated changes to the cost of insurance.

(b) Such other changes which we believe, in good faith, we have a valid reason to make.

Those changes may include:

- (i) changes made to clarify the terms of the policy;
- (ii) changes which are necessary to reflect changes in applicable laws and regulations; and
- (iii) changes to the cost of the insurance cover to reflect changes in our own costs and other economic considerations.

We do appreciate, however, that when the time comes you may not want us to make those changes, and we explain below the protections we will put in place to ensure that you have an opportunity to consider those changes and to refuse them, should you wish to do so, before your insurance is renewed.

We will always provide you with full written details of any changes which we intend to make to the terms of your insurance cover at least 21 days before your policy is due for renewal, which is when those changes would be due to take effect. We will not be entitled to make any changes unless we provide you with those details within that time-frame.

You will then have the right to tell us, within 14 days of receiving those written details, that you do not wish your policy to be changed in the manner notified to you. If you exercise that right, we will give you the opportunity to either:

- (a) renew your policy without any changes;
- (b) renew your policy subject to any alternative changes which we may offer to you; or
- (c) not renew your policy at all.

You can also cancel your policy at any time in any case. Full details relating to your cancellation rights are set out in the policy terms.

INTRODUCTION AND IMPORTANT NOTES

We have pleasure introducing this policy, with insurance cover from E&L, for people who own bicycles. Much careful research went into producing the policy. We hope You will be pleased with the level of cover and the service We are offering.

The policy details the cover We provide. Please read the policy and your Schedule as soon as You receive them. If You do not keep to the conditions, your policy could become void or We may not be able to accept liability for a claim. If You are not entirely happy with the cover provided, return it to us within 14 days without making a claim, We will then cancel the policy and refund the whole of your premium.

This is a master policy wording showing all Sections of cover available for this type of insurance. Some sections of cover offered may not apply to your insurance. Please check your policy Schedule to see what sections of cover are applicable to your insurance cover. A policy excess applies to all Sections of cover unless stated differently in the policy Schedule.

F.D. Martin
General Manager
Signed on behalf of The Equine & Livestock Insurance Company Limited.

IMPORTANT NOTES

The policy is a contract of insurance. This policy may include new benefits, conditions and so on. We recommend You read this policy carefully, as it may be different from what You have seen before.

You will be covered by this policy from the date You go on cover with us by phone or the date on which We receive and accept your fully completed proposal form whichever is soonest.

The proposal form You fill in is the basis of this contract. We will provide insurance under this policy for those specific sections detailed in the Schedule or any endorsement.

The policy Schedule is important. It lists the cover You have chosen, it is proof of your insurance and it may be needed if You have a claim. We will not be liable for more than the limit of cover shown in the relevant part of the Schedule. The policy depends on warranties (promises), conditions and exclusions, as detailed in this policy wording and your Schedule.

We as the insurer and You, as the insured, are entitled to choose the law applicable to this contract of insurance. We propose English Law and in the absence of any agreement to the contrary, English Law will apply.

This policy provides cover for the insured named on the Schedule between the age of 14 and 75 unless We have agreed otherwise and accepted the same in writing.
